Will this insurance replace any health insurance currently in force? Yes No

If "Yes," read the statement below and complete the following:

Notice to Applicant Regarding Replacement of Accident and Sickness Insurance

If "Yes" is indicated above, you intend to lapse or otherwise terminate existing accident and sickness insurance and replace it with a contract to be issued by Blue Cross and Blue Shield of Texas. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new contract.

1. Health conditions which you may presently have may not be immediately or fully covered under the new contract. This could result in denial or delay of a claim for benefits under the new contract, whereas a similar claim might have been payable under your present contract.
2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present contract. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.
3. If, after due consideration, you still wish to terminate your present contract and replace it with new coverage, be certain to truthfully and completely answer all questions on this application concerning the medical/health history of any person applying for coverage. Failure to include all material medical information on any application may provide a basis for the company to deny any future claims and to refund your premium as though your contract had never been in force. After the application has been completed and before you sign it, re-read it carefully to be certain that all information has been properly recorded.
4. It is recommended that you not terminate your present contract until you are certain that your application for the new contract has been accepted by Blue Cross and Blue Shield of Texas.
